

Ensuring Protection & Stability for Ukrainians Fleeing War

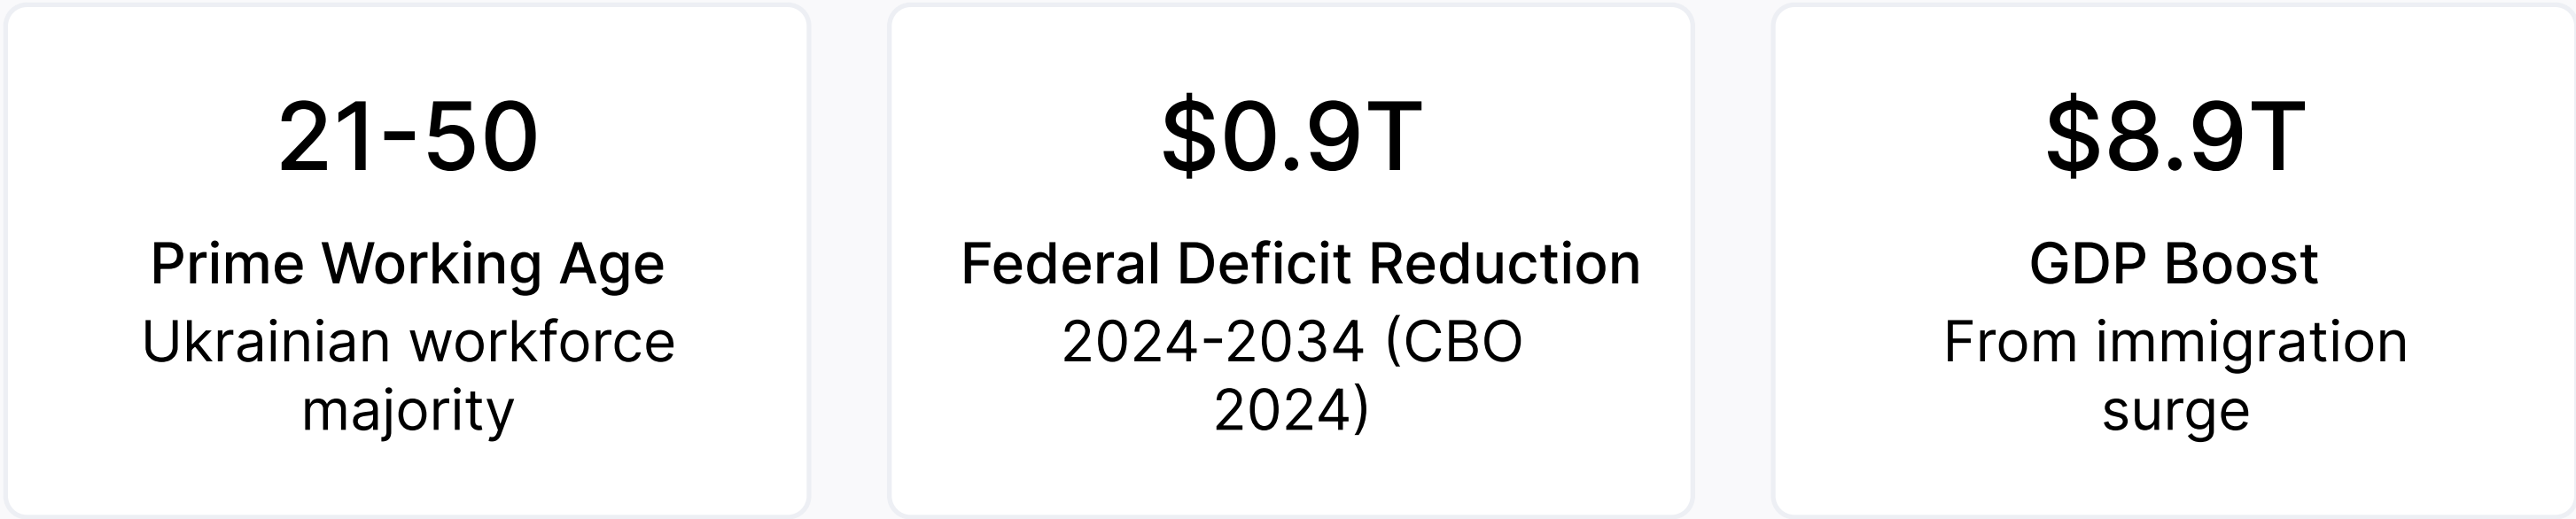

A Case for Congressional Action

⚠ The Problem

Due to bureaucratic limbo, an **average of 201** Ukrainians fall out of legal status every single day, through no fault of their own.

📈 Economic Evidence

💡 Solutions

- **Redesignate TPS for late arrivals**
Cover arrivals after August 16, 2023
- **Streamline USCIS Processing**
For I-131, I-821, I-765 applications
- **Provide Interim Protection**
Deferred action while pending
- **Explore Ukrainian Adjustment Act**
As a permanent solution

🕒 Historical Precedents

The U.S. has acted before to stabilize refugees in “parole limbo”: 1948 Displaced Persons Act, 1977 Indochinese refugees, 1989 Cuban-Haitian entrants.
